**\*\*Applies to grades 1-12. PK and KG will receive paper report cards.**

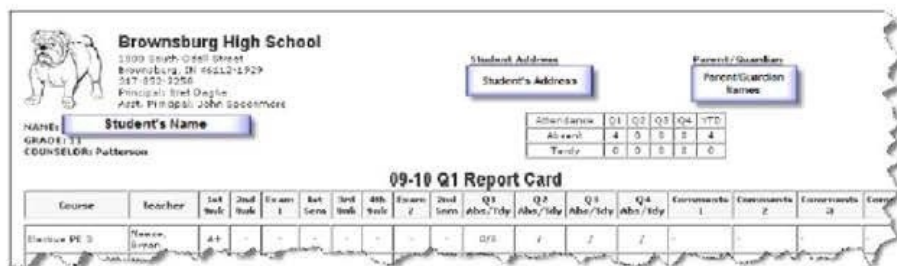

1. Login to the PowerSchool site for Parents and Students at: <https://powerschool.brownsburg.k12.in.us/public/>
  - a. Students – Just use login supplied by school, which is Student Number with a capital “S” at the end. School supplies your password, too.

The login should be the Student Number with a capital “G”. You’ll then create your own username and password, which will be the only username and password you’ll need for all of your children. If you have not setup a username and password for PowerSchool Parent access please go to [www.brownsburg.k12.in.us](http://www.brownsburg.k12.in.us) and click on Resources, Parent/Student Resources, and then click on PowerSchool Parent Portal Instructions.
  - c. If you do not remember your PowerSchool password, please either:
    - i. Click “Having trouble signing in?”
    - ii. Contact your child’s school
    - iii. Or email for assistance to: [PowerSchool@brownsburg.k12.in.us](mailto:PowerSchool@brownsburg.k12.in.us) and provide the following information: child’s first and last names, school child attends, birth date of child, child’s parent name(s), grade level of child and name of person making the request.

2. Once you are logged into PowerSchool parent account with the username and password that you created, click on the report card link on the left side of the screen above the Grades and Attendance. The link will correspond to your child’s grade level in school:
